

Model Shown: **LR042** with black 5-star pyramid base

Largo Task

The Largo task seamlessly combines comfort and style. The sleek, fully-upholstered backrest provides all-day comfort by supporting ergonomic posture, while the synchronized mechanism promotes natural body movement and posture shifts. Furthermore, its streamlined, modern appearance will elevate the look of any workplace.

Standard Features: -

- Synchronised body balance mechanism provides effortless support.
- Free-float or lockable in five positions with return prevention safety system.
- Tension fine-tune control allows the chair to be tailored to each individual user's preference.
- Built-in seat slide allows fine adjustment of seat depth.
- Large seat and extra-high back to suit a wide variety of users.
- Choice of no arms, height adjustable arms, height adjustable & foldaway arms or multi-directional arms.
- Choice of white, black or polished aluminium 5-star pyramid base, with 60mm castors as standard.
- Optional inflatable lumbar support.
- Suitable for persons up to 150kg / 23.5 stone.
- 5 year guarantee.
