BROOKLYN

The Brooklyn Chair is a sleek traditional design which can be used in a variety of situations and is the perfect soft seating solution for offices, board rooms & student accommodation.

CAMDEN

The Camden Range is a sophisticated modern chair design, with a variety of shells to choose from including a side chair, armchair, high stool, 2 seater and coffee table. Ideal for reception areas, meeting rooms & breakout spaces.

COPENHAGEN

The Copenhagen Range is a simple elegant style offering a wide range of frame and shell options. Ideal for cafes, student living, pubs, and breakout areas.

HUNTINGTON

The Huntington is a statement chair with rectangular bold curves and eye catching shape making it perfect for a variety of indoor settings.

OHIO

The Ohio is a contemporary “curvy” chair design, its choice of bases makes it highly versatile, ideal for a range of office environments from meeting rooms to reception.

ORLANDO

The Orlando Range with its gentle curves is a graceful elegant chair; comfortable, smart and durable it is perfect for modern offices, reception areas and collaborative spaces

SKAPA

The Skapa range is a stylish Swedish designed chair shell offering a wide variety of base options. Perfect for meeting rooms, offices and receptions areas.

FRAMES

Our wide range of frame options can be used with a variety of our shells, or alternatively can be customised for specific projects and environments.
