Re:

Due to the height of the product listed above, we do not recommend the fitting of castors or a seat tilt, as this could pose a tipping hazard and could contravene the Health & Safety of the user.

If either of these are fitted, the product will not be covered by our normal guarantee. We also cannot accept any returns for repair, replacement or credit as we are unable to forecast the long-term effect of the alterations to the product.

We cannot accept any responsibility for any damage to persons or property due to any alterations of product. We strongly recommend that you check your own liability insurance levels.

***Please sign and return this notification so that we can proceed with your order.***

I ..... have read and understand the above, and accept the terms of supply for the non-standard product. I understand that Steelco Ltd will not be liable for any failure in use, or any damage or injury to persons or property as a result of the supply of this product.
