Non warranty repairs.	Transport cost + £25.00 + Parts
Refused delivery when delivery previously arranged.	Minimum 10% of order value

## General

The risk in the goods shall pass from Steelco Ltd to the buyer upon delivery of such goods to the buyer.

However, notwithstanding delivery and the passing of risk in the goods, title and property in the goods, including full legal and beneficial ownership, shall not pass to the buyer until the seller has received in cash or cleared funds payment in full for all goods delivered to the buyer under this and all other contracts between the Steelco Ltd and the buyer for which payment of the full price of the goods thereunder has not been paid.

Payment of the full price of the goods shall include the amount of any interest or other sum payable under the terms of this and all other contracts between the Steelco Ltd. and the buyer under which the goods were delivered.

All Prices quoted exclude vat.

All goods shall be invoiced at the price ruling at the time of delivery.

Samples are available free of charge for a period of 1 month and will be invoiced at full value unless returned within this period. Sample requests must be accompanied with a covering order number.

Payment of invoices to be made by the end of the month following the date of invoice Steelco Ltd reserves the right to charge interest at 2% above the Bank of England base rate on amounts outstanding after this time. An administration fee of £25 will be charged following any returned cheques.

All pro-forma invoices must be paid in full before goods are despatched.

Cancellation of orders can only be accepted by agreement in writing and a minimum charge of 10% of the order value shall be made.

All invoice queries must be made in writing within fourteen days of the date of invoice.

In the event of any claim, 'Steelco Ltd' liability shall in no circumstances exceed the invoice price of the defective articles.

No liability for any resultant loss or damage whatsoever, direct or indirect of any nature will be accepted by Steelco Ltd.

All illustrations and dimensions in our sales literature are included as a guide only and are not binding upon us in any way.

In an effort to continually improve our products, we reserve the right to amend without notice, materials, specifications or design, which having regard to all circumstances we consider to be reasonable or desirable.

## Guarantee

All Steelco Ltd products are guaranteed against defective materials and workmanship under conditions of normal wear and tear in an office environment.

Whilst every effort is made to ensure sound workmanship, we guarantee to replace or repair any items we consider defective provided they are returned to ourselves carriage paid and reported in writing within the warranty period of that product.

Any repair carried out that is not considered by Steelco Ltd to be a manufacturing defect will be subject to a callout charge of £25.00, and callout/collection and delivery charges.

If the product or fabric colour is no longer available, the buyer shall be bound to accept an alternative provided by Steelco Ltd.

## Delivery

Orders over £300.00 ex vat will be delivered free of charge to your premises.

Orders under £300.00 ex vat will be subject to a small delivery charge of £25.00

Delivery to a third party, (UK Mainland, Ground floor only) will be charged at 6% of the retail price before discount, or the prices in the map opposite, whichever is the greater.

Whilst Steelco Ltd will do all within their power to meet delivery dates we shall be under no liability whatsoever for delay or failure to deliver for any cause nor from any loss or damage arising therefrom.

All deliveries are to ground floor only.

In the event of goods being delivered but not accepted when we have made reasonable arrangements to do so a minimum charge of 10% of the order value shall be made.

Steelco Ltd aims to deliver all stocked items within 7 to 10 working days from receipt of order to the U.K. mainland only.

Damages or shortages via our own transport must be noted at the time of delivery. Delivery noted signed "unexamined" cannot be accepted.

Damages or shortages via other carriers must be reported in writing within three days from receipt of goods.

## Product information

- The Harrington range of Task chairs offer an ergonomically designed range of seating to suit most applications.
- The range can be used in an office or home environment.
- The chair uses a 3-lever heavy duty mechanism with independent seat and back adjustment and ratchet back height adjustment for individual comfort.
- The chairs backrest has been carefully contoured for comfort and it has a tough backrest outer shell for strength and stability.
- The chair can be specified with a variety of arm styles – height adjustable and foldaway.
- There is also a wide range of extras available including memory foam, seat slide and inflatable lumbar support.

### Extras Available

A, G, H, J, K, B, N, P, Q, L, S, T, M

*Largo*  
LR042

### Product information

The Largo task chair is designed to offer all the comfort, adjustment and control required in the modern office. It features a fully upholstered contoured back rest, which can be specified in 2 contrasting colours. It also has a stylish lower back cover to enhance the clean lines attributed to this chair.

### Key Features

#### Synchronised Mechanism

The self-weighting mechanism intuitively responds to the torque requirements of a wide range of users without the need for manual tension adjustment. This means it allows the user's weight to adjust to a comfortable sitting position and recline tension. The seat pivot is located near the user's hips, helping the user maintain full contact with the chair's seat and back through the full range of recline. The mechanism also comes with an integrated seat slide allowing users of all heights to achieve a suitable seating position by adjusting the seat depth.

#### Ratchet Height Adjustable Back

The height of the back can be adjusted from the seated position.

#### Armrests

Choose from height adjustable arms, height adjustable & foldaway arms or multi-directional arms.

#### Built to Last

All Steelco task and operator chairs are suitable for persons up to 150kg / 23.5 stone and supplied fully assembled with a 5-year peace-of-mind guarantee.

#### Additional Features

- 5-star pyramid base in black, white
- 60mm castors as standard.
- Huge choice of fabric or vinyl seat and back coverings.

#### Optional Extras Including

- Polished aluminium spider base.

## Product information

A durable seating range with a high level of comfort and style.

The Operator and Task chair versions have a choice of a contoured medium or high back for added back support.

The Operator features a PCB mechanism while the Task has a mechanism with independent seat and back adjustment. Both versions have a choice of modern loop or height adjustable arms.

Our Executive Ascot has a large comfortable seat and a box tilt mechanism with upright lock. A black cantilever or 4-legged wooden visitor chair also match and compliment the range.

A popular family of Task seating that offers value for money. The whole range features fully upholstered backs to match or contrast the seat colours.

The range has a heavy-duty mechanism with independent seat and back movement. The back has kidney supports for extra comfort.

Fully upholstered back

# seating tula

Breakout seating

## Product information

TULA armchair is extremely customizable.

The inner (seating part) and outer shells can be upholstered:

- both in leather look or both in fabric: for an elegant all-over material effect;
- or a striking contrast can be created by mixing the inner shell in one of the fabrics with a leather look upholstered outer shell.
- Lacquered natural ash solid wood base.

# Polytone Range

A modern design which creates a perfect balance of style and functionality. POLYTONE collection consists of three types of visitor, conference and dining chairs made of plastic: POLYTONE-C, POLYTONE-L and POLYTONE-O. Three different characters which will blend in perfectly with different office settings and will be ideal for a variety of activities – meetings, collaborative work, conferences, short-term tasks or relaxation.

POLYTONE – plastic chairs designed for the rhythm of modern work.

## Product information

POLYTONE-L chairs have been designed by Scagnellato and Ferrarese Design. Visitor, conference and dining chairs boast a subtle minimalist design.

# Desks & Wooden Storage

There will be an increase in the prices of Desks and Wooden Storage from 1st April 2025.

Please contact our office for more information

## Products

All products are supplied flatpacked except for pedestals and filing cabinets. Both these product ranges come without the feet and handles fitted.

All of the products contained in this price list have a 5 year guarantee.

## Assembly

Tambours, bookcases and storage products can be supplied assembled.

Please contact the office for prices and details.

## Colours

Desk top colours are White and Amber Oak with Metallic, White or Black metalwork.

Please contact us for stock levels.

## MFC Finishes

## Metal Finishes

## Important Information

Lead times for non stock products and non stock colours are four to five weeks\*.

Any order which includes non-stocked products will be treated as a special order and therefore non returnable.

Order codes are made up of individual part numbers which are displayed on all boxes, eg DCA121 = G2A054 and G3C016.

## Extent of Range

This price list contains only a small selection of the products and ranges available.

Please contact our office for further information relating to any other range.

\*Subject to factory lead times when the order is placed.
