

Meet LUNA

Suscom introduces LUNA, a versatile PP shell chair available in a variety of colours and base options. Designed to seamlessly integrate into offices, cafés, and a range of other environments, LUNA stands out as a shell chair that expertly combines style, comfort, and practicality to meet the needs of any space. The textured liner can be used without upholstery and is available in multiple colours or can be upholstered for added comfort and value, making LUNA a flexible and stylish seating choice for any setting.

“LUNA is a chair that seamlessly blends comfort, design, and functionality. Its unique curved form, with varying thicknesses and carefully considered design details, provides both ergonomic support and visual appeal. LUNA offers a range of options to complement a variety of spaces and styles. Sustainability is a key priority, with LUNA being made from 100% recyclable materials to ensure a responsible end of life.”

Adrian Ryder | Designer
